Anytime you start researching in a new location you have to learn about the location before you can start finding your family. The Familysearch.org Research Outlines are a great resource to help do this.

Always wanted to look into your family and don't know where to start or have you been researching for a while and want to get back to basics – This class is for you.

Space is limited. To register email [s-lcosper@juno.com](mailto:s-lcosper@juno.com). A \$10.00 donation would be appreciated. Donations are used to purchase materials for the Genealogy section of the Haggard Library.
