## Library Lock In—July

Then next lock in will be July 8th. The focus will be Military Records.

Military Records including compiled service records, pension records, bounty land, unit histories, and maps can be valuable genealogical records. In addition to providing background, you may find valuable family information in pension files. Bounty land records can place your ancestor at a point in time.

Lock Ins are a great place to get assistance with research problems. Sign up for a consultation and discuss your brick walls with another genealogist.

Gen Friends suggests a donation of \$10. A Pizza supper is also available for \$4.00. Registration begins at 5:30.

### National Personnel Records Center

The National Personnel Records Center in St. Louis houses military records from the 20th Century. In the past the only way to obtain records was through the mail. Beginning, Saturday, June 11, 2005 some records will be open to visitors. A fire at the records center in 1973 destroyed files of the Army and Air Force veterans. Negotiations between the Pentagon and the National Archives resulted in records from the Navy and Marines will be opened to the public 62 years after the soldier left the service. Army and Air Force files will not be opened until 2023. Coast Guard will be unavailable until 2026.

As of Saturday the following records will be opened to the public: Navy enlisted men from 1885 until September 8, 1939; Marine Corps enlisted men from 1906 to 1939; 150 of about 3000 Americans identified as persons of exceptional prominence—Patton, Elvis Presley, McArthur, Jackie Robinson—just to name a few. All of the VIP's have been dead at least 10 years.

To obtain records through the mail, complete form 180 which can be downloaded on the National Archives web site [www.archives.gov](http://www.archives.gov). Files will continue to be available to the veterans and their descendants. If you wish to visit the center their hours for visitors are 10-4 Tuesday through Friday. Visitors must show a picture ID. There is limited space, so it is suggested that reservations be made. Address: 9700 Page Avenue, Overland, MO 63132 Phone: (314) 801-0850.

### Volunteers Needed

Your participation can help make Genealogy Friends a better organization.

We need several volunteers to help with all facets of Genealogy Friends activities and events. If you have a talent, extra energy, or are willing to help in any way, please contact us at [genfriends@comcast.net](mailto:genfriends@comcast.net). Current Opportunities Include:

- Help is needed to continue to index the 1930 Census for Collin County. The indexes are posted on our web site to enable researchers to more easily find their families. We will provide a CD containing the Census and the format for the Excel or Open Office Spreadsheet where the data is entered.
- Volunteers are needed for all facets of the Lock Ins including refreshments, manning stations, sharing information or experiences, and registration. If you can help contact Joyce Kaplan.

Gen Friends members also volunteer in the library assisting patrons with genealogy research. You could learn by helping others. This would be a great way to learn more about different aspects of research or increase your knowledge of the libraries holdings. The schedule is posted on the Gladys Harrington Library web page. If you would like to work in the library, contact the Reference Desk 972-941-7175.
